General and Revenue Departments.

Sir,

With reference to your letter No.J.2978/Legis.29-11-11 dated the 9th April 1912 in re. the installation of suitable machinery in the Central Jail, Bangalore, I have the honour to state that Mr. Srinivasaiengar returned from Calcutta after visiting some firms and workshops. In his report to the Superintending Engineer on the results of his inspection, he states that most of the grains and food stuffs are sold in Calcutta by weight and not by measures and that consequently there is very little demand for measures. The weights are said to be cast by native firms in hand made moulds. So, he was not able to see at work any machinery of the type required by us.

2. He was, however, able to ascertain from certain English firms there the names of the suppliers in England of these machinery

GOVERNMENT OF MYSORE

Mysore
31st May 1912

Dear Sir,

As it is found that the new weights and measures will not be ready in sufficient numbers on the 1st July 1912, it is under consideration to postpone the operation of the rules to another date. The chief Engineer desired me to request you to kindly let me know when the measures may be expected to be ready. Would it do to postpone the rules to the 1st October 1912?

Yours sincerely,

(sd) S Hiriyannayya.

To

N Rangaswami Iyengar Esq B.A. B.C.E.,
Superintending Engineer

16

Mysore
1.6.12

Dear Sir

Your OO dated 31st May 1912.

There has been some delay in getting the exact number of screws & nuts manufactured. The nuts for the manufacture of measures are fairly complete and about 2000 are very nearly ready

The manufacture of magneto is somewhat behindhand. But there will be no doubt that by the 1st of October 1912, the required number will be ready

Yours truly
V Rangaswamy Iyer

M. VISVESVARAYA, Esq., M. I. C. E., C.I.E.,

Chief Engineer of Mysore,

Bangalore.

To

K.R.Srinivasaiengar,Esq., M.A.,

Offg: Secretary to the Government of

His Highness the Maharaja of Mysore,

General and Revenue Departments.

SIR,

Adverting to your letter No.J.3228/Legis.29-11-6 dated the 4th May 1912, I have the honour to forward, for favour of Government sanction, an estimate amounting to Rs 19,006 for the manufacture of standard weights and measures in accordance with Government notification No.J.864/Legis.16-09-37 dated the 11th September 1911.

2. The report of the Executive Engineer accompanying the estimate explains fully the provision therein made.

3. Tenders for the supply of the articles were called for in accordance with Government order No.J.3490-1/Legis.29-11-8 dated the 25th May 1912 and the Superintending Engineer, Southern Circle, was authorised, in anticipation of sanction to the estimate, to place orders with the firms whose tenders had been accepted. The time allowed for the introduction of the rules throughout the State is very limited.

4. The favour of the very early sanction of Government to the estimate is requested.

I have the honour to be,
Sir,
Your most obedient servant,

M Visvesvaraya

Chief Engineer of Mysore.

1912/13.
